

## **Application Guidelines for Grants for Attendees at International Conferences (2nd half of Fiscal 2023)**

### **1. Grant Overview**

This grant is intended to provide travel expenses for graduate students at a university in Japan attending the international conferences to be held abroad, regarding C&C technology fields.

C&C technology fields include information processing technology, communication technology, electronic device technology, and ICT technology fields that integrate these technologies. Also included are technologies like data science, artificial intelligence (AI), sensing, recognition, robotics, automatic control, information security, and virtual reality that have been developed based on the aforementioned technologies and support the framework for smart society and other smart solutions.

### **2. Grant Applicant Qualifications**

- (1) The applicant must be a graduate student engaging in research of C&C technology at a university in Japan or enrolled in an equivalent educational institution when presenting at an international conference, and has been recommended by the academic advisor in the institution to which the applicant belongs. The applicant should not be older than 40 years old when presenting at the conference. Undergraduate applicant also can be recommended if the applicant becomes a graduate student when presenting at the conference.
- (2) In principle, the applicant's peer-reviewed paper or submitted application must have been officially selected for presentation at an international conference held outside Japan. You can apply for the grant before your paper or application has been officially selected. However, the grant will be suspended until the paper presentation is subsequently officially selected. Eligibility is forfeited if the conference application is officially rejected.
- (3) The applicant must be both the first author and the presenter.
- (4) In principle, the conferences are organized/sponsored by academic societies.
- (5) Economic necessity will be considered in the screening process.

### **3. Contents of Grant**

- (1) Amount of each grant (150,000yen to 280,000Yen)  
Depending on the venue and other conditions. The grant can be appropriated to flight-fare, registration-fee, accommodation-fee, or related expenses.
- (2) Only equivalent to registration-fee raised in the units of 10,000 yen should be paid when the conference is held online or becomes a virtual event.
- (3) Grant payment method  
In principle, the grant will be transferred to the grant recipient's bank account.
